

WANTED...

Responsible Rigby residents to reduce waste and pollution, save Energy and natural resources, and conserve landfill space!!

The City of Rigby invites you to participate in a recycling program provided by Western Recycling. Residents of the City of Idaho Falls and Ammon have committed to these services and will begin service on August 6, 2012. In order to make it feasible for Western Recycling to provide this service to the residents of Rigby, a minimum of 200 participants will need to register. Participation in this program is completely voluntary, but you will need to register online at www.westernrecycling.net.

- Cost per month is \$5.00 (quarterly billing)
- Western provides a rolling 65 or 95 gallon container (your choice)
- All material can be co-mingled (mixed) together! No sorting necessary.
- Your container will be serviced every two weeks on the same day as trash pickup
- Container must be placed at least 4 feet apart from trash containers
- Neighborhoods outside of the city limits will be included in the program on a case-by-case basis, depending on participation levels in area & distance from city limits.
