PUBLIC RECORD REQUEST FORM

The City of Rigby is committed to providing access to public records in accordance with Idaho Code § 74-101 through 74-126. Upon receipt of a properly submitted request, the City will grant or deny access within the timeframes required by law. Some requests may require additional time for staff to locate, review, or prepare records, including any necessary redactions as permitted by law.

Reasonable fees may apply for labor exceeding two (2) hours or for copying more than one hundred (100) pages. The City will make a good-faith effort to notify requesters of any anticipated charges in advance. When appropriate, the City may offer the requester the opportunity to inspect records instead of receiving copies.
